Contact Information: mark@d4b.us, 909.233.7357. When submitting comments on the Draft DRECP and EIR/EIS, please include the name and means of contact for a person who would be available for later consultation if necessary. Please note that public comments and information submitted will be available for public review at www.drecp.org. Before including your address, phone number, email address, or other personal identifying information in your comment, be aware that any information submitted as part of your comment will become part of the public record. Additionally, this information may become available via Google, Yahoo, and any other internet search engine. You may choose to withhold contact information, but the agencies will not be able to contact you if clarification of your comment is needed. While you may request in your comment to withhold your personal identifying information from public review, agencies cannot guarantee the ability to do so.

F101-1 Thank you for your comment. The Bureau of Land Management (BLM) has taken it into consideration in developing the Desert Renewable Energy Conservation Plan (DRECP) Proposed Land Use Plan Amendment (LUPA) and Final Environmental Impact Statement (EIS).

F101-2 This comment has not resulted in a change to the document but BLM has taken it into consideration in developing the DRECP Proposed LUPA and Final EIS.
