Hiyas: Besides the form letter I am sending to point out everything pros have figured out about this. My wife's grandfather cried when you took away the Turtle Mtns. Not rock people have no concept of this relationship to the land. See attachment! Stop taking away the only thing that is keeping of thousands of citizens sane and discovering mineral resources that are the only reason this country got so great in the first place, whether the say so or not.
INTENTIONALLY LEFT BLANK
Response to Comment Letter F220
