To Whom it May Concern,

I enjoy exploring our wonderful desert areas in my Jeep. I always stay on established roads and never go "cross-country" to avoid hurting any desert animals or plants.

Please keep our beautiful desert open to the public. It is too vast an area to limit access to walking only.

Thanks,

F93-1 Thank you for your comment, your request that the desert remain open to the public is noted. While it has not resulted in a change in the document, the Bureau of Land Management (BLM) has taken it into consideration.
